HauntCon

Hey Doug,

My wife just took over as President of the Chamber of Haunters (the previous had to leave quickly because of health reasons) and he left it in a bit of tangle. Unfortunately, this means we can no longer pursue the purchase of HauntCon. I know our talks on it died out a few months ago, but this is simply to let you know that we are officially out of the running. We do still have some asset inquiries in play, but that will just have to run its course.

Thanks again for the offer and the information, and best of luck in the future!

Josh
